## Ruby Dies Of Cancer

DALLAS (UPI) —Jack Ruby, the killer of presidential assassin Lee Harvey Oswald, died of cancer today in the same hospital where both President Kennedy and Oswald died three years ago.

Parkiand Hospital announced that Ruby sank into a come and died at 10.70 a.m. CST (11:30 a.m. EST) of the widespread cancer discovered in his body last month. Hospital Assistant Adminis-

rator Peter Gellich seid he had no further detalis. He scheduled a news conference for 2 p.m. CST 13 p.m. EST1. Ruby was the last vital link with the assassivation

with the assassination of Precident Kennedy, and he went to his death with controversy still swiring over the presidential murder.

One of his last acts was to desty, in a secretly made tape, recording from his brospital bed, that there was any conspiracy involved in the killing of Oswald.

Mémbers of Huby's issuity
were with him when he died on
the seventh floor of the
sprending Dallas hospital.
